

Coach Brian Maas
Registrar, Assistant Director of Coaching

Coach Brian Maas moved from California to Florida 16 years ago and now considers himself a true Floridian. He and his wife Kim have 3 boys: Chase, Drew and KJ, all of whom grew up playing soccer with GulfSouth. Brian loves sports, especially soccer and golf, and his favorite local restaurant is Local Catch. His favorite soccer players are Luka Modric and Kevin de Bruyne.

Coach Brian has been with GulfSouth Soccer Club since its beginning in 2012 and is our Registrar and Assistant Director of Coaching. He has a Master's degree in Coaching Education, and holds a U.S. Soccer D coaching license and a Goal Keeper Level 1 license, along with special topic certificates in defensive tactics training and youth coaching training. He loves both playing and teaching the game of soccer and remembers the feeling of pride associated with making that killer pass that connects with a player who scores.

In case you haven't noticed, Coach Brian is passionate about GulfSouth Soccer and signs all his emails with: TRAIN HARD. EAT RIGHT. GET LOTS OF SLEEP. DRINK PLENTY OF FLUIDS. GO GULFSOUTH!!
