

**Coach Robert Perez**

Coach Roberto grew up in Chile and played soccer professionally before he began coaching. He holds a Brazilian Football Association International Coaching Diploma. He, his wife and 2 boys love traveling together as a family. Coach Roberto's favorite professional soccer team is Paris Saint-Germain and his favorite player is Neymar (of course).

Coach Roberto enjoys coaching because it gives him the chance to teach kids *o jogo bonito* that he loves so much. His favorite coaching memory is the first time he got to coach his son. Coach Roberto has been coaching with GulfSouth for 5 years. His advice to players is "be persistent, be dedicated, and work hard!"
