GULFSOUTH Rush Background

GULFSOUTH Soccer Club is a not-for-profit youth soccer club located in Santa Rosa Beach, FL. The Club was founded in 2012 as a way to provide a competitive and fun soccer environment serving the communities of Walton, Okaloosa and Bay counties.

Our training programs focus on fundamentals training, special skills training, conditioning, teamwork, perseverance, fair-play, character development, community involvement and fun. We look to foster all aspects of being a soccer athlete - technical, tactical, physical, mental and emotional - in order to create better citizens through sport. We offer age and ability appropriate opportunities starting with the 5-year-old novice player and extending to the most advanced high school player looking to continue their soccer career in college. Our programs include:

Academy programs in several locations focused on developing core skills for players ages 5-10.

Competitive travel programs with professional coaches, serving players ages 7-18.

Opportunities to participate in I10 League, Olympic Development Program and ECNL-Regional League competitions.

Camps and clinics for all ages.

In 2023, we partnered with Coastal Rush in order to provide additional opportunities to our soccer athletes. Rush Soccer is the largest youth Soccer club in the world, with partner clubs in over **35 states** and **48 countries** around the world. Rush Soccer is one of the fastest growing worldwide sports brands.

In our area, Coastal Rush youth programs reach:

1780 youth athletes participating in fall and spring seasons

500+ participants in various camps and extra programs

15,000+ players, families, and coaches attending Coastal Rush club tournaments each year

Serving U6-U19 age players, from beginner to the highest, competitive level in the panhandle

Your contribution will further our club's ability to provide the most comprehensive and challenging youth soccer program in the Florida panhandle. Our ultimate goal is to develop a love of soccer in our community.

THANK YOU for considering being a part of our journey!
